Dear Parent/Carer

We are aware that a number of our students are feeling very anxious and worried about the recent terror attacks in Manchester and London. As adults it is our responsibility to educate and support students appropriately regarding any Safeguarding issues. At school we have shared the link below with students. This is guidance from Childline about what to do if they are feeling anxious or worried about recent events. As a parent, you may also find this link useful to discuss with your son/daughter about their feelings and concerns.

If you would like to discuss this or any other Safeguarding matter, please do not hesitate to contact me at school.

Yours sincerely
