PSH/LAS/Autograph Price Increase Feb 2020

26<sup>th</sup> February 2020

Dear Parents,

## Lunch Prices

I am writing to inform you of some further price increases made by Autograph, the catering company who provide our school meals.

The company is completely separate from the school and I need to make you aware that the price increases are nothing to do with the school. On the back of this letter are the new charges that I have managed to push back for just over two weeks as I believe parents should be informed about such changes and as a school we were only told on Monday 24<sup>th</sup> February 2020. The new prices will now come in to effect on Monday 16<sup>th</sup> March 2020. The main meal of the day has not increased in price from January, but some food and drink items have increased. This does not affect students in receipt of free school meals if they stick to the meal deal, comprising of a main meal, dessert and drink for £2.20.

Please look at the prices and possibly consider your child bringing their own drinks, snacks or even packed lunches to school. We do have water fountains in school so bottles can be refilled during break and lunch times, these are of course free to use. I am not in a position to influence these price changes and would reiterate that none of the money from catering comes to the school itself only to Autograph as a company. I would encourage parents to be sure to claim for free school meals if you are entitled to them.

## Coronavirus

On another note can I ask you to be aware that the school website has a link to all of the latest guidance regarding the Corona virus outbreak.

Yours faithfully

**Mr P Shone**  
**Headteacher**
