Settled Status

Dear Parents/Carers,

We would like to raise and support your awareness regarding the EU Settlement Scheme applications for all EU nationals and family members currently residing here in the UK.

Some of you may already be familiar with the application and have applied but some families are still uncertain as to whether they need to apply or should apply. We are keen to ensure that as many families as possible have the correct information regarding their legal status here in the UK.

We are working in partnership with the Smethwick based charity Brushstrokes Community Projects who can advise and support you with your application; a free service!

If you are unsure, need help or have any questions about this, the EU support team at Brushstrokes will be happy to help you –

You can contact

Julie M O'Neill (EUSS Project Coordinator/adviser) julie@brushstrokessandwell.org.uk

Karolina Borkiewicz-Singh (EUSS Adviser) karolina@brushstrokessandwell.org.uk

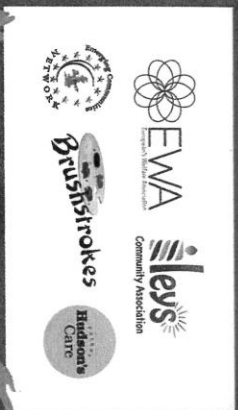

at Brushstrokes on the main number of: 0121 565 2234 or via mobile: 0789 4406 263 and also via email.

Or visit <https://www.gov.uk/settled-status-eu-citizens-families> to apply.

Alternatively, please call the school on 0121 558 0691 to find out more and ask for Mrs Jordan, who can also advise on your next steps.

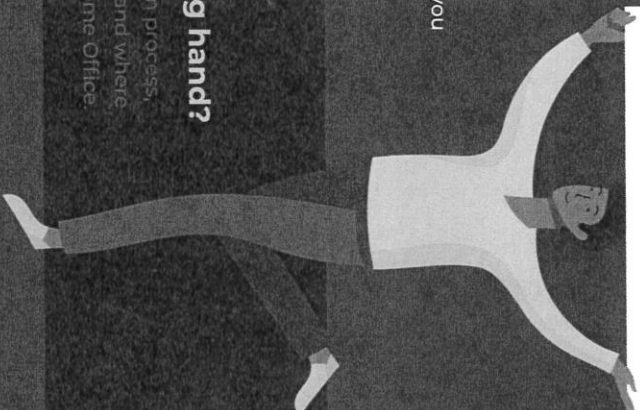

Who are we?

We are 4 organisations (Brushstrokes, Emconet, European's Welfare Association CIC and Ileys Community Association Service) who have partnered to assist vulnerable EU citizens and their family members gain settled and pre-settled status.

How we can help?

Our aim is to raise awareness of the new EU Settlement Scheme, explain what it means for you and your family and help vulnerable individuals complete the application process.

Do you struggle with English? Are your IT skills limited? Or maybe you just need a helping hand?

We are here to help with completing application process, accessing the IT app, give immigration advice, and where necessary, assist in communication with the Home Office.
